The Southmoreland faculty members have been our advisers, our mentors, and our disciplinarians since our first days of high school. More than almost any other single group, they have worked to prepare us for our futures. From the first teacher to the last, they range the full gamut of teaching methods and subject materials. They strive to help the students explore all the options open to them. Each of the educationally diverse staff imparts his own special quality to the students and each has his own appeal. We salute the faculty members on their past achievements and it is our hope they can continue to provide a meaningful quality education that will adequately prepare the students for life beyond high school.

"STAIRWAY TO HEAVEN"

by Led Zeppelin

There's a lady who's sure all that glitters is gold,
And she's buying a Stairway to Heaven.
And when she gets there she knows,
If the stores are closed,
With a word she can get what she came for.

There's a sign on the wall,
But she wants to be sure,
Cause you know sometimes words have two meanings.
In a tree by the brook, there's a songbird who sings sometimes.
All of our thoughts are misgiven.

There's a feeling I get when I look to the West,
And my spirit is crying for leaving.
In my thoughts I have seen rings of smoke through the trees,
And the voices of those who stand looking.

And it's whispered that soon, if we all call the tune,
Then the piper will lead us to reason.
And a new day will dawn, for those who stand long,
And the forests will echo with laughter.
And it makes me wonder.

If there's a bustle in your hedgerow, don't be alarmed now,
It's just a spring clean for the May-Queen.
Yes, there are two paths you can go by,
But in the longrun,
There's still time to change the road you're on.

Your head is humming and it won't go — in case you don't know,
The piper's calling you to join him.
Dear lady, can you hear the wind blow,
and did you know,
Your stairway lies on the whispering wind.

And as we wind on down the road, our shadows taller than our soul,
There walks a lady we all know.
Who shines white light and wants to show,
How everything still turns to gold.
And if you listen very hard,
The tune will come to you at last.
When all are one and one is all,
To be a rock and not to roll.

By the time a student graduates, he will have experienced all of the highs and lows of high school life. For the Class of 1980, these days are gone forever; but, for the underclassmen there is still a way to go. Seniors have lived through the problems of high school, and have found the rewards for their efforts. With this knowledge we must advise the underclassmen to make good use of their high school days, for their efforts, too, will be rewarded.

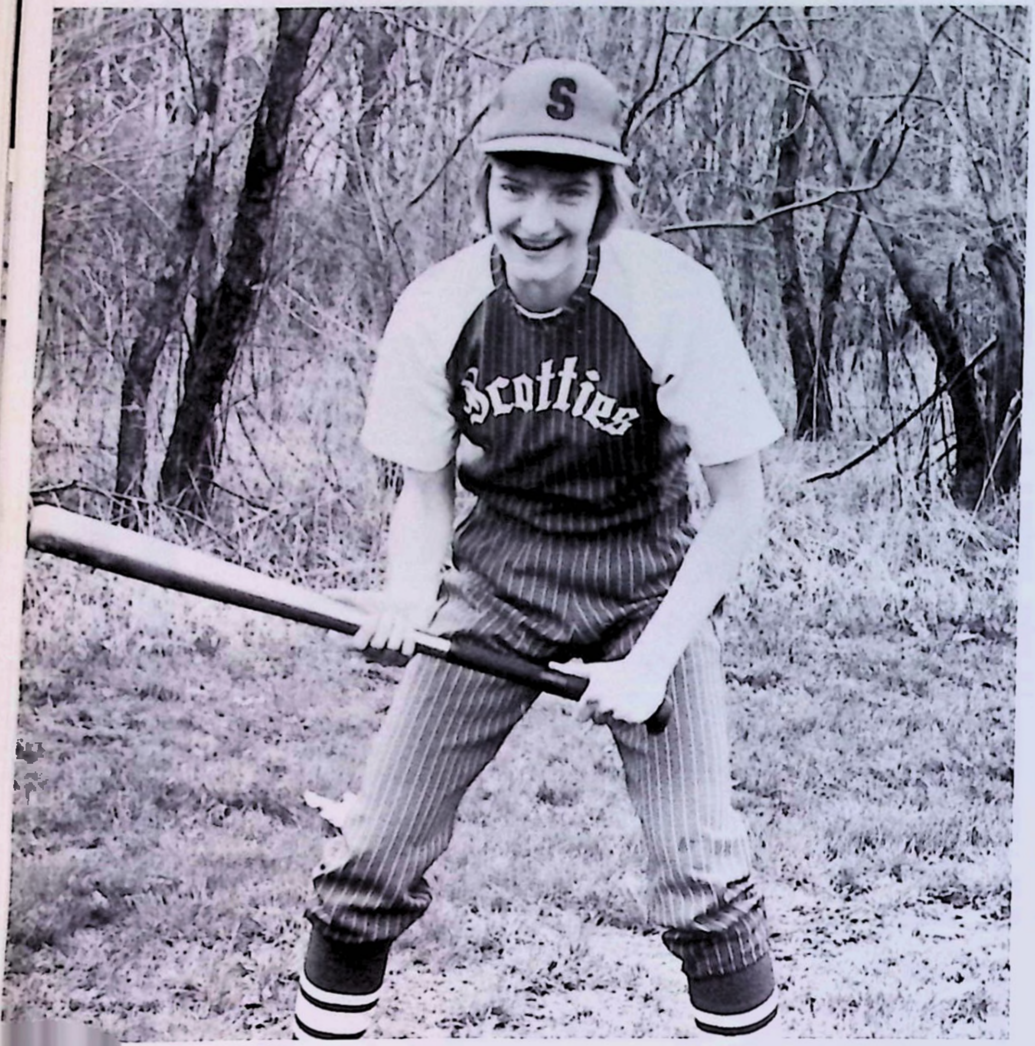
"S.S.R."



While the girls aren't always successful, they are enthusiastic. Athletics are as important to the girls as to the boys. This is displayed in the dedication and hard work the girls put into these sports. Each year the seasons get a little better as the girls gain more experience. Hopefully, girl's athletics will be an important part of the school program in the future as they have been this year.

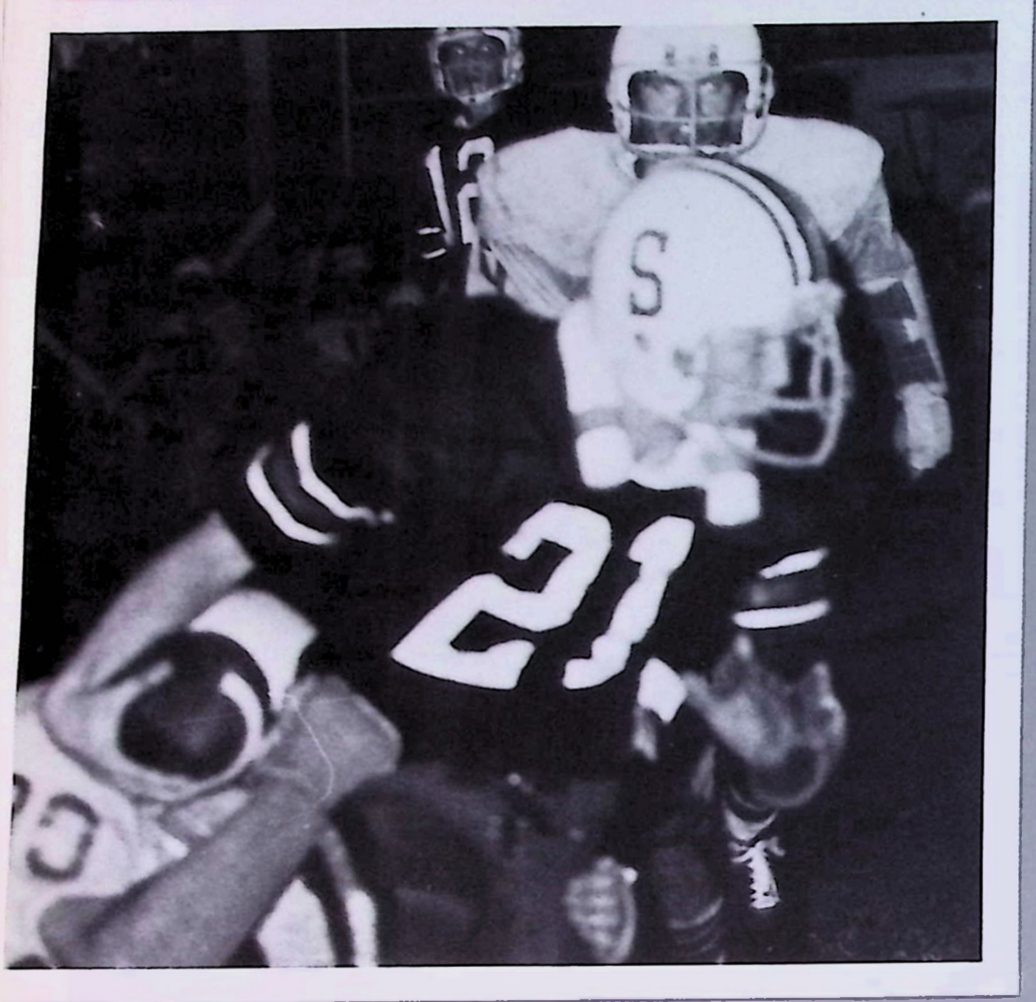
EMERGENCY DOOR



This year has been an especially good year for sports at Southmoreland. School spirit was at its peak, and the support from the fans has been excellent. We have a right to be proud of our teams this year, and the determination they have possessed.

Certainly with continued devotion and perseverance from the teams, and all-out encouragement from the fans, we can look forward to many more victorious seasons in the years to come.

football history for the Southmoreland team. Before the season was over Randy Espey, Ron Byers, Bob Keibler, Dale Hunker, Don Eichner, Scott Brown, Kevin Patton, Tim Duke, and Jeff Wicker were presented with All Conference awards and the team as a whole was grante the County Coaches' award.

The team started their season on the right foot. On August 31, in a non-conference game against Frazier, the Scotties led 16-0 until late in fourth quarter, when Frazier scored a desperation touchdown against the Scottie reserve, making the score 16-8. This game was jus a glimpse of the way the Scotties would perform throughout the season.

The first conference game was also a successful one Pen Trafford fell victim to the indomitable Scottie defense in a 20-0 shutout. The next week, Franklin Regional suffered a similar fate, being shutout 16-0. The Scottie team was strong and getting stronger.

The Scotties met East Allegheny on September 21 at home. The pep rally before the game wa an indication of the school's support. The cheering was loud and the support was substantial, but this was only a hint at the things to come. Down 6 points, on a muddy, rain soaked field with 2:17 left in the fourth quarter, a touchdown pass was caught that marked the final point of the game, a 6-6 tie.

September 28, the Scottie team shutout the Yough Cougars. Finally, the Southmoreland skeptics began to realize that the past five wins were more than just a coincidence, especially after a glance at the scoreboard, which undoubtedly told all. A 28-0 victory proved that the Scotties were for real.

The second half of the season began on October 12 with a trip to Plum. The Mustang team was the preseason favorite to win the Keystone conference, and the "upstart" Scotties were underdogs again. However, the Mustangs were broken in a comeback as the final score read Southmoreland 21, Plum 20.

In the biggest challenge of the season, the Scots hosted the defending champion Jayhawks on October 19. With 1:10 left in the game, a Scottie touchdown stopped Jeannette dead in their tracks with the score 14-10. This win left the Homecoming crowd jubilant, and confident for the "big" game.

The Scotties visited neighborhood rival Mt. Pleasant on October 26. This would be Southmoreland's chance to wrap up the Conference championship. The Scotties downed the Vikings 20-15. The championship was now in the hands of Southmoreland.

The first loss of the season occurred on November 2 against Churchill, with the score 17-0. But this loss did not discourage the fans. After all, the Scots were still conference champs.

The Penn Hills game was not just another loss for the Scottie team — it was an act of courage. The Scotties were without question, out manned. And even though they were defeated 31-0, the Scottie team could still hold their heads high.

Finally, Mr. John Bacha, along with the entire coaching staff, must be commended for a job *well done*. The final record is something everyone can be proud of, 7-1-1. This year will be *remembered by* us all.

The Scottie wrestlers can be proud of their successful season. They finished the season with a varsity record of 12 wins and 7 losses and a jr. varsity record of 13 and 3, placing them fourth in the Keystone Conference. In section matches, Tom Skovira won first place, and Scott Logan, Kevin Humbrecht, and Todd Zelenka were runner-ups. These wins qualified the four to wrestle in the WPIAL Tournament. In other tournaments, the Scotties finished seventh in the Westmoreland County Tournament and tenth in the California Invitational.

COACH PAUL BARCLAY

COACH DENNIS ZIEGER

COACH HARRY BOWSER

There were high hopes for the Scottie basketball team this year. With the addition of Ken Provlic and four returning lettermen, the season looked very strong. Big exhibition wins over tough teams such as Geibel proved to many fans that the Scottie team was at its very best. In the first section game against Greensburg Central Catholic, the Scots pulled off a sensational victory. But soon, the team suffered a brief collapse due to illness and injury. This collapse dimmed any hopes for a section title. However, the Scots rebounded back with six consecutive wins. This allowed them to finish the season with a strong third place in the section. At the last game, Coach Paul Barclay announced his resignation. The end of the season caused many players and fans to look back and wonder, what if . . .? It was just one of those up and down seasons. The Junior Varsity team, under the direction of Coach Denny Zieger, completed the season with an impressive 19-5 overall record. We wish these future Varsity players the best of luck.

Varsity Track

Coaches Don Gilpin and Dennis Popp have every reason to be proud of the Scottie track team this year. The regular season was a huge success with only one loss to Franklin Regional. In addition to the regular season the team competed in many invitationals and post-season meets. These include the annual Southmoreland Invitational in which the Scots placed second in a field of nine teams. There were 30 teams at the East Allegheny Inv. this year and the Scots placed 9th overall at the meet. The last Inv. Southmoreland participated in was the Uniontown Inv. where they came in third out of twelve teams. Each year the team also competes in the Westmoreland County Coaches meet at Latrobe. At this meet Randy Grabiak took a third in the pole vault, and the mile relay team consisting of Dale Hunker, Jay Kurth, Kevin Collins, and Jeff Wicker also placed third in the county. The W.P.I.A. qualifiers and finals determine which students will attend the State meet. During the qualifiers, six Southmoreland track members advanced to the Finals Don Eichner placed second in the shot with a throw of 49'7", Randy Grabiak placed second in the pole vault with a jump of 12', the mile relay team with Dale Hunker, Jay Kurth, Kevin Collins and Jeff Wicker, their time was 3:29, and Dale Hunker placed in the 330 Intermediate hurdles with a new school record of 40.6.

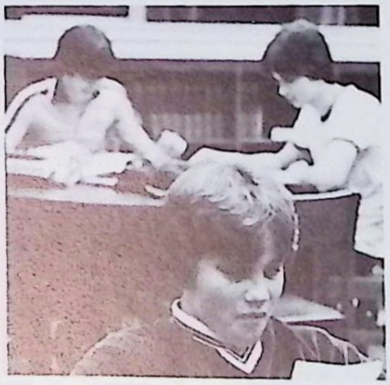
At Southmoreland, there are clubs and activities ranging from the Audio-Visual crew to Y.A.W.A. Each individual club has its own requirements and benefits, some may appeal to you, others may not.

Being a member of an organization will add a little variety to school life.

CLUBS AND ACTIVITIES



Footlighters

The highlight for the Footlighters this year was their presentation of *Arsenic and Old Lace*. Performed before a small audience, the play was a success and paved the way for more productions in the future.

Commercial Club

Commercial club officers are: Cindy Rose, President; Tricia Cavanough, Vice President; Karen Rush, Secretary; Karen Kattera, Treasurer; Kim Gearhart, Program Chaperone; Barb Kiefer, Social Chairperson. The members have an annual Holly

fits go to the purchase of

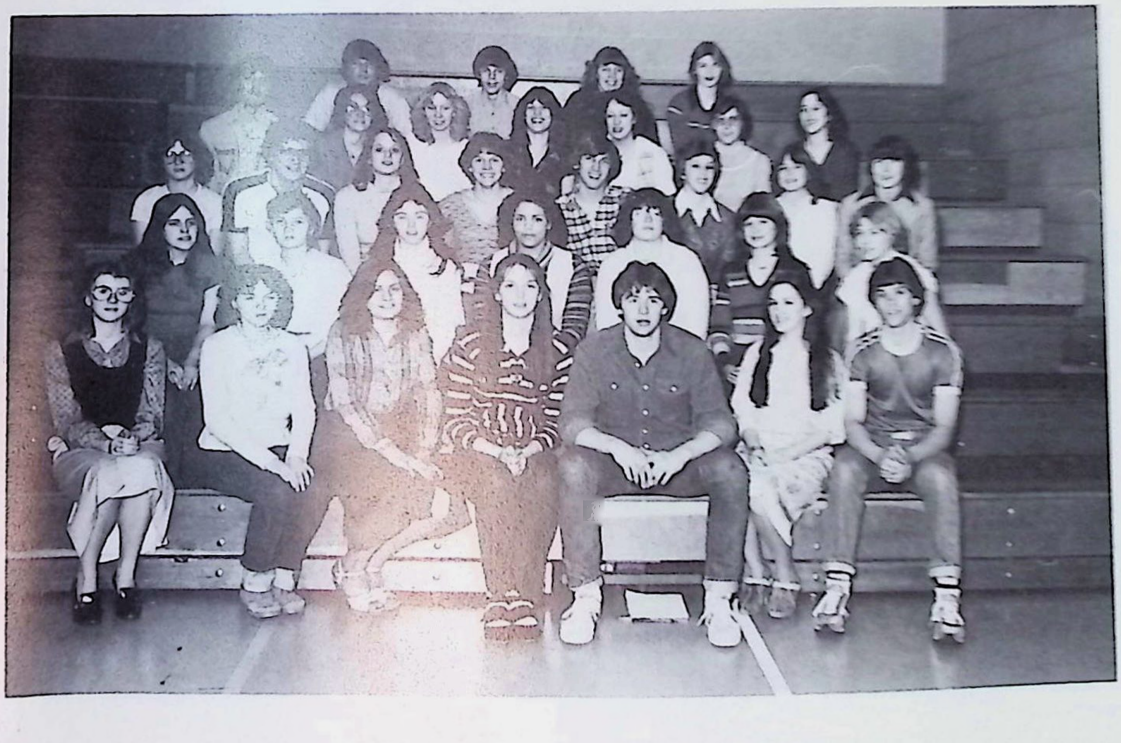
Y.E.A.

Youth Education Association is sponsored by Miss Alice Fleming. The organization gives its 25 members the opportunity to be exposed to the career of education. To gain an introductory insight of a day in the life of a teacher, the junior and senior members are able to choose towards the end of the school year, any of the elementary schools within our district and "be a teacher for a day." Prior to this time the student must spend a day observing classroom procedure. The club sponsors a program for senior citizens, and fund raisers for children's hospital.

YAWA



One of the highlights of the Youth Association of World Affairs calendar is their annual spring trip to a place of cultural interest. This year the group, under the direction of Mrs. Charlotte Mowry, traveled to Williamsburg, and Jamestown, Virginia. To help defray expenses, the club sponsored a variety show in April. As the name implies, members of the club are interested in world affairs. They attended a symposium on China held at St. Vincent's College in Greensburg and one held in Pittsburgh. In December, three speakers from the Soviet Union presented a program at the Senior High. Along with international politics, the group is also interested in promoting civic and local affairs.

A.V. Crew

Without these dedicated students, there would be no one to take care of the lighting and sound at our few assemblies, deliver films and film projectors to faculty members for use within the classrooms, along with tape recorders, not to mention such duties as running off ditto copies for teachers, or performing maintenance on the audio-visual equipment when necessary. The A.V. department is headed by Mr. John Korba.

YTSC

The Youth Traffic Safety Council, under the supervision of Mr. Harry Mehallick, is primarily concerned with saving people's lives on the highway. The YTSC is affiliated with Intermediate Unit #7 of Westmoreland County. Some of the projects that the YTSC has undertaken this year include: Scottdale Borough Accident Map; petition against the emission controls; YTSC day at Southmoreland; and Dr. Leo Bacha as a guest speaker in POD classes.

Health Aids

The girls in the health office work voluntarily under the supervision of Mrs. Martha Mehallick. Each year a number of girls express an interest to work in the nurse's office. Mrs. Mehallick prefers having two girls to work per period; preferably juniors and seniors. On the basis of their study halls — most importantly, on their maturity and dependability — the girls are selected.

Linear Angle

The Linear Angle club is an organization for math students who take the higher math courses such as Algebra III, Trigonometry, and Calculus. One of the basic duties of a member is to tutor other students with their Math homework. Also, the members go to math seminars and fun nights. Officers of the club are Eric Cressman, Rick Milliron, and Bonnie Kropp. The sponsor is Mrs. Seese.

Office and Guidance Aids

Instead of reporting to study hall, the office aids report to the high school office where they learn office procedures. They also help Mrs. Bednarowicz by running errands, answering the phone, and many other small tasks.

Library Aids

The Library Club is a group of fifteen students, sponsored by our school librarian, Miss Alice Fleming. These students are library aids, using their studyhalls to work in the library. President of the Library Club is Chris Gasbarro.

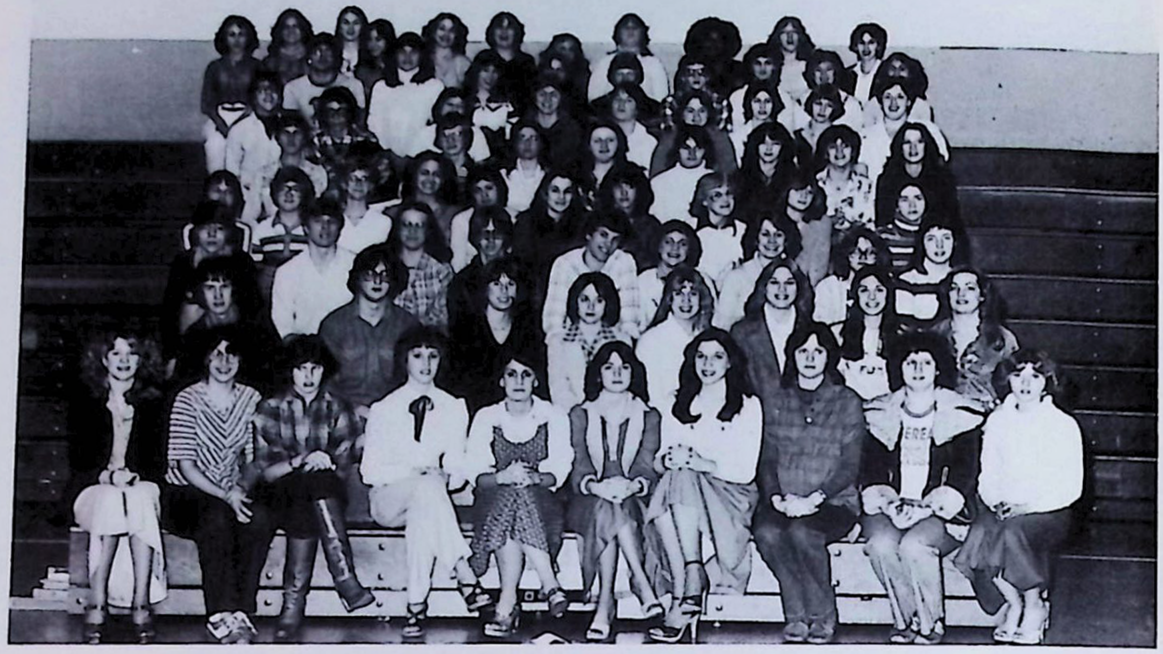
French Club

The French Club is sponsored by Mrs. Paulette Dye. This year the club was involved in a candy sale fund raiser. With the profit from the sale, the club went to a French Musical in Pittsburgh and a film at Indiana University. An added event is available to the French IV members at the end of the year. This includes a dinner at a French restaurant in Pittsburgh.



French National Honor Society

The French National Honor Society is a newly created organization this year at Southmoreland. The society is also under the leadership of Mrs. Dye. To become a member, the student must have an A average in French and a B average in all other courses.

Calliope

Calliope is our school's literary magazine, and is distributed annually to students and faculty. Mrs. [illegible], sponsor of the project, works with the editing staff. [illegible] Compositions are [illegible] and the editors [illegible] of the magazine filled with some of the best literature in the [illegible] own [illegible] Calliope organized and handed out in the spring.

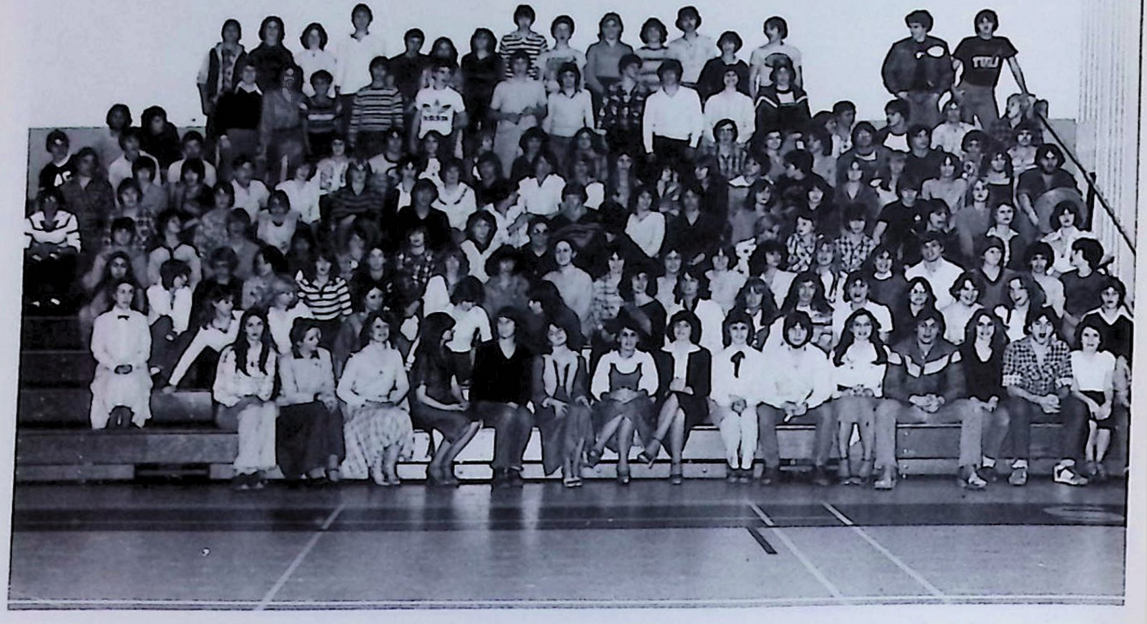
Editors: Ann Miller and [illegible] Shellenberger.

Tam O'Shanter

The Tam O'Shanter is the voice of the [illegible] student body. The newspaper's sponsor, Mrs. Deborah Crowley, helps each reporter prepare his or her article before it is printed. Each reporter is assigned an article dealing with some topic or aspect of the school. With the combined efforts of each reporter and the support of Mrs. Crowley, the paper has come to be an informative publication.

Ski Club

If you mention skiing to any one of the ski club members, don't be surprised if they dash down to the cafeteria to buy a lift ticket. Ski club is the largest and one of the most active clubs at Southmoreland. It is composed of talent ranging from novices to experienced "Hotdoggers". When conditions are favorable, night ski trips are made once a week to Seven Springs, where skiers full of spirits test their skills and courage against the challenge of the slopes. Faculty sponsors are Mr. Don Gilpin and Mr. Mike Banasick.



Project U.S.S.R.

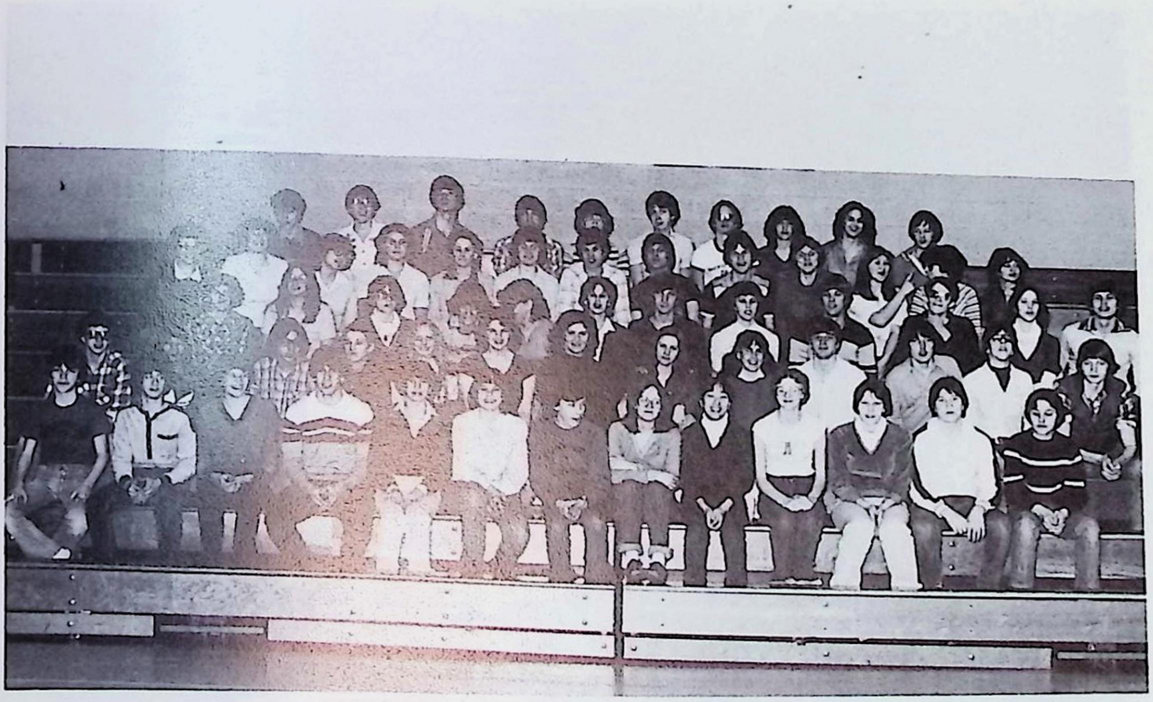
All the members of Project U.S.S.R. were very interested in going to the Soviet Union, but due to the world conditions they had to make alternate plans. In January revised plans were made to go to London and Paris. Fund raisers were started in May of 1978. Some of these include: candy bars; Christmas candies and candles; Easter candy; raffle tickets; pens; Steeler basketball game; and car washes. A special thanks is in order for Mr. Harry owser for all his time and ergy used in this program.

Biology Olympics

The students that are involved in Biology Olympics are interested in Science. Miss Shirer, the sponsor, entered them in a Biology contest at Slippery Rock State College on April 23.

Here they will compete in many different science oriented events.

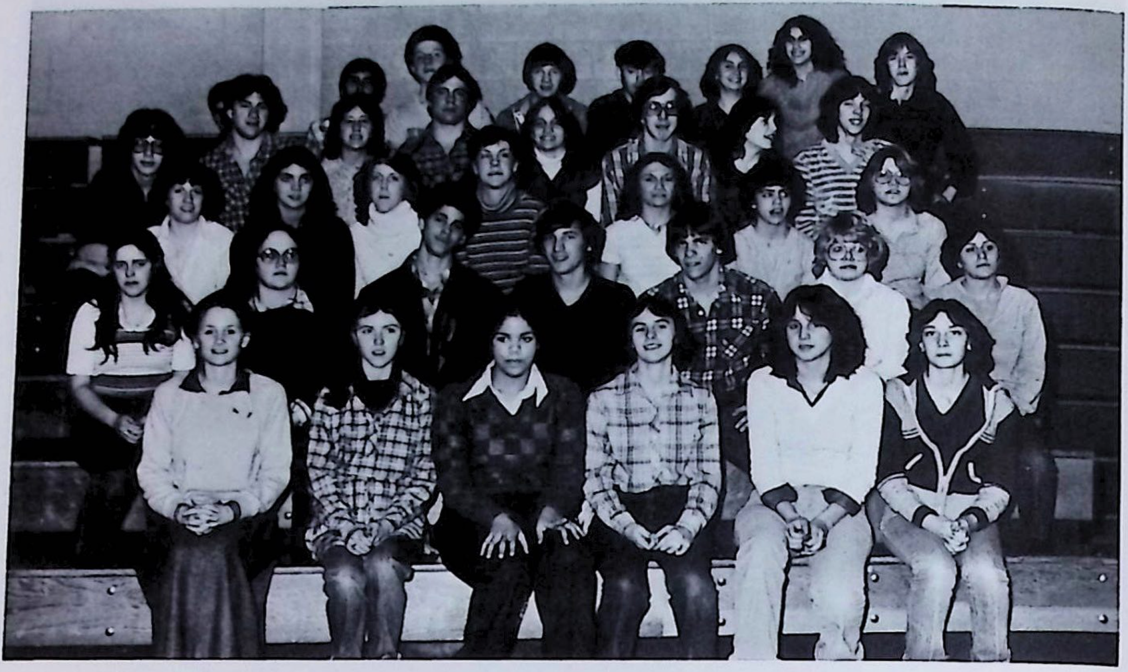
Alpha



Alpha is Southmoreland's Gifted Program. Participants in the program have been identified as either gifted or talented. The program, coordinated by Dr. Seigal, provides a resource room for the members to use during their free time. In addition, field trips, speakers, and workshops are offered to the students.

Spanish Club

This club is one of the easier ones to join. All the student has to do is take Spanish.



Spanish National Honor Society

This year, SNHS proudly celebrated their 5th anniversary. There are 23 members, sponsored by Anthony Chiaramonte.

German

The ever popular "gummi bears" have become a trademark for the German Club. Under the direction of Mrs. Patricia Rollison, the club sold the perennial favorites again this year, boosting sales by clever commercials. Proceeds from the sale were used to finance a trip to the University of Pittsburgh.

Latin

The sponsor of Latin Club is Mrs. Patricia Rollison. Their big money making project this year was a "Gummy Bear" candy sale. The money from this project was used to help pay for a field trip to the University of Pittsburgh. Here the students toured the Cathedral of Learning foreign language classrooms, and the museum to observe the many aspects of Greek and Roman culture.

Pep Club

The Pep Club was a very integral part of our Scottie sports teams this year. Under the guidance of Miss Ceroni, these girls cheered and decorated all year long. During pep rallies the members yelled sideline cheers and a few of them even participated in skits.

Legend Staff

The Legend staff is composed of fourteen hardworking, dedicated students. These members use study halls, or their own spare time to complete assignments. Although the rush to meet deadlines, and the long hours of trial and error seem to be endless, the final result "our yearbook" makes it all worthwhile.

The Staff includes: Jeff Mehallick, Marsha Shallenberger, Rick Milliron, Lori Kaper, Kevin Collins, Lori Barckhoff, Kim Gearhart, Chris Cottom, Dawn Santora, Brad Ridenour, Chris Shipley, Dale Hunker, Cindy Rose, and Sue Miller.

Where ever the football team goes, you can be sure the Scottie marching band is nearby playing rousing choruses of "Scottland The Brave" and "Mr. Touchdown." But presenting the halftime shows is only one facet of this multi-talented group of instrumentalists. Directed by Mr. Donald Stoner, and field conductors Dave Smith and Robin Layman, they proudly march in community parades throughout the area. The band takes part in many competitions as well as annually hosting the "Scottie Fling." In addition to the musical side of the band, there are also majorettes, colorguards, piperettes, s, and the honor guard. These groups put in long hours of practice in order to perfect their many routines.

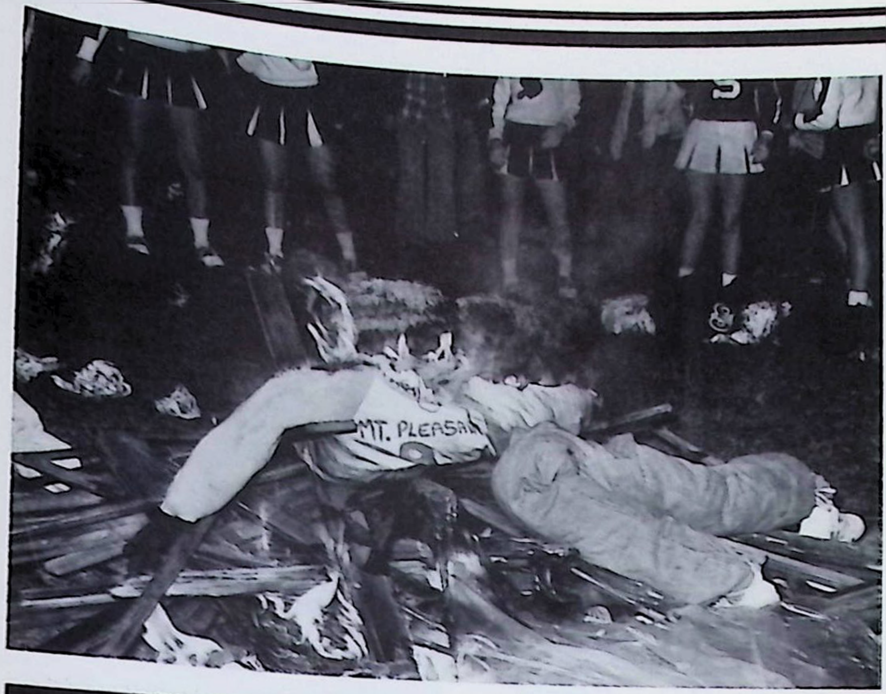
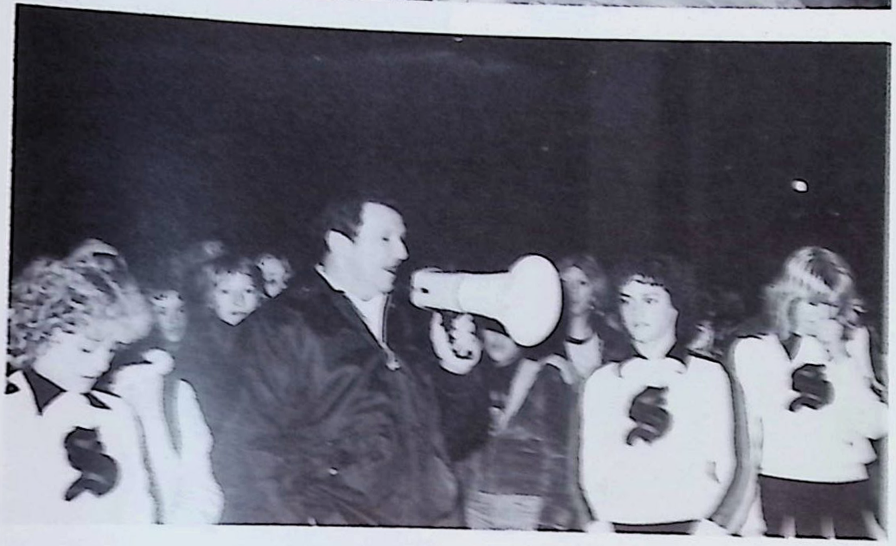
Spirit Week and Bonfire

Hambrecht
Byers





As a tradition at Southmoreland the week of the Mt. Pleasant football game is spirit week. At this time school spirit is at its peak. Mt. Pleasant is our biggest rival, so everyone wants to really win. But this year, we had even more to cheer about, all the team had to do was beat Mt. Pleasant and we would be Keystone Conference Champs. Everyday of the week the students were asked to dress a certain way in order to show spirit. Some examples were, crazy hat day, cowboy day, football day, clash day, and red and black day. The big event of the week is a bonfire on the night before the game. Here cheerleaders led cheers, and the band played songs in order to psyche up the football players for the big game.

London

The trip to London holds many memories for the students and faculty who were a part of the group. While they visited London they saw many sights that most people only dream about. These sights include Westminster Abbey, Big Ben, The London Bridge, Windsor Castle, Buckingham Palace, Hyde Park, Picadilly Circus, St. Paul's Cathedral, Oxford University, and the White Cliffs of Dover. During the trip they also saw the changing of the guards, went to three plays, rode a boat on the Thames River, danced at a disco. But most of all they toured, toured, toured . . .

Class Day

All Seniors look forward to Class Day. It is on this day that Seniors report for their last day of school. To start the day, there was a car decorating contest. Following that, the Seniors, the rest of the student body, and the faculty assembled in the auditorium for award presentations, a slide show, and some musical entertainment. Seniors then reported to Inn America for the Senior luncheon. After the formal part of the day was completed, there were parties to celebrate this momentous occasion. Class Day will not be forgotten by many.

BACCALAUREATE

Literally, Baccalaureate means a sermon delivered to a graduating class at commencement. This year's sermon, "The View From Mt. Nebo," was offered by The Reverend Shipley. Also officiating was The Reverend Patton. Although this service was optional, a majority of the senior class attended. They were told that it was time to leave SHS, and to look at the life of opportunity that lies ahead.

ARTY'S

ARTY'S

The Junior-Senior Prom is always a special occasion in the school year. This year's Prom was no exception. Everyone had a terrific time. Smile played at the Prom, and Shadraque played at the Post-Prom. Dancing continued until 5:00 a.m. All who attended this year's Prom will have many special memories.

1980

June 1, 1980, was the day all Seniors have waited for, GRADUATION. This year commencement exercises were held outdoors on a beautiful, sunny day. Speakers for the occasion were Valedictorian, Bonnie Kropp and Salutatorian, Dawn Santora.

Best of luck to all
graduates in whatever
they do!

A Good Salary and a College Degree

Now You Can Earn
A Good Salary and a College Degree

Today, more than ever, look to the Air Force for the education and training you need to succeed.

The Community College of the Air Force now has the authority to grant 2-year Associate College Degrees.

It's a golden opportunity.

You can enroll in over 80 study areas ranging from accounting to computers, weather forecasting to police science, restaurant management to photography, mechanics to medical technology.

It's an opportunity to work toward an associate degree.

You can be proud of it. And you can use it. It could be a stepping stone to further education. It impresses prospective employers. It certifies – without question – that you've been trained to do the job.

Consider the Golden Opportunity Program.

Learning and earning is a sure way to success and, if you're interested in serving your country and yourself, you should take advantage of it.

See your Air Force Recruiter for more information, mail in the attached card, or call toll free 800-447-4700 (Illinois: 800-322-4400).
